Special Condition #19: Defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing, as direct by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On July 22, 2016, Mr. Roberts was given a copy of his judgement and his conditions of supervision were explained to him. He reported he understood his conditions in full.

Mr. Roberts is in violation of special condition number 19 by supplying a urine sample which tested positive for methamphetamine.

Due to Mr. Roberts' drug use, he was directed to call the phase urine testing hotline daily and listen for the color "yellow." When the color "yellow" was called, Mr. Roberts was required to report to PHS to supply a urine sample.

On June 12, 2018, the color "yellow" was called and Mr. Roberts reported as directed. The sample was sent to Millennium Laboratory, and on June 19, 2018, the sample was confirmed positive for methamphetamine.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violation previously reported to the Court on 06/12/2018.

I declare under penalty of perjury that the foregoing is true and correct.
